

Virtual event sponsorship

**Chemical
Watch**
an **enhesa**. company

Why sponsor our virtual events?

Promote your services

- Promote your products and services to our highly targeted audience of regulatory and product safety professionals.

Showcase your expertise

- Host your own informative workshop to virtual attendees, answer their questions via live Q&A feature and promote relevant content via your sponsor profile.

Meet potential clients

- You'll have access to the full event delegate list as well as the opportunity to request targeted introductions to delegates of interest.

Benefit from long-term visibility and dedicated event promotion

- Your presence at our virtual events will be featured in a dedicated campaign by our in-house marketing team, as well as the chance to promote your own relevant content– before, during, and after the event.

“

Helpful way of getting information when travelling is not an option. Good to be able to see presenters and presentations at the same time

”

Inger Persson

Product Stewardship Specialist,
Perstorp AB

Who can sponsor a virtual event?

Our virtual events present the chance for both large and small companies to connect with an international, engaged audience. Organisations that can benefit from sponsorship include:

Consultants

- Showcase your expertise to our global audience of regulatory professionals seeking chemicals management solutions throughout the supply chain.

Laboratories

- Promote your testing services and capabilities to capitalise on a targeted audience of regulatory and product safety professionals.

Software providers

- Present your IT and software solutions, conduct demonstrations from your stand, and lead your own dedicated workshop.

Legal firms

- Demonstrate how you can help chemical companies maintain compliance and resolve potential challenges with jurisdictions. your own relevant content– before, during, and after the event.
